

SJF Middle School Supply List (2022-2023 Academic School Year)

Hello! This is a general list of supplies needed for SJF Middle School students (6th-8th grade). Most of these supplies are available during the summer at amazing savings at WalMart, Target, Office Depot, Costco, the 99 cents store, Staples, and Amazon to name a few. We do not want you to miss out on such great savings and having an accurate list will help you in your planning for the year. While we are aware there are different brands of the same item, please try your best to follow the brands being asked for on this supply list. Once school resumes (August 17, 2022), teachers may have some additional special requests for their class but this is the big overall list of supplies used for SJF Middle School students.

We are looking forward to seeing you and your child this fall and having a great year of growth and learning!

Sincerely,

Ms. Dominguez

Mrs. Valero
